separates and sets free every, unparal-

slightly with which cures asthma, coughs, colds, hoarseness, headache, neuralgia and spinal diseases.

The first section is 140 open to the pores of the skin, and is nervous energy to which when penetrate to any part of the interior, expel disease and impure particles from the system. It performs precisely the same function as the blood in the skin, but of every function of the body.

It is its power which enables the user to reap all the advantages of the most efficacious and all bowel complaints—in short, by the pores of the skin open, and restoring nervous energy to all the organs of the body.

Mr. James Mc-Master—Dear Sir—I enclose a few bottles of your Hair Oil, for the purpose of testing its merits. I have some dozen of the head, to try it. By Bogie, Hypermia Fluid and several other recommended for the hair, without any success. I have been using your Oil for a short time the hair began to make it and she has now a fine head of hair.

Respectfully yours,
J. A. MUMFORD.
